Volunteers Needed For Community Clean Up
San Luis Rey River Cleanup Set For Dec. 3

If you are looking for a productive outing and want to help your community, mark Saturday, Dec. 3, 2005, from 10:00 a.m. until 12:30 p.m. on your calendar. On that day local government and community groups host the San Luis Rey River Cleanup.

Volunteers will receive refreshments, community service hours and a free T-shirt. Groups volunteering ten or more members can have their logo imprinted on the shirt. This event is sponsored by the County of San Diego, City of Oceanside, San Luis Rey Watershed Council, 1-800-GOT-JUNK?, and Impact Design.

"One day, we'll have a 1,500 acre park along the San Luis Rey River," said Supervisor Bill Horn. "That's our plan for the future. For now, a big thanks to those who will be part of the clean-up, especially at East Vista Way and Highway 76 near the Bonsall Bridge."

Volunteers will meet at:

Bonsall

West of East Vista Way and Highway 76, near the Bonsall Bridge

Oceanside

Free parking lot, east side of Oceanside Harbor

Benet Road and Highway 76

Fousatt Road and Highway 76, at bike path

Douglas Drive and North River Road, at bike path

College Boulevard and Vandergrift Boulevard, on north side of the bridge

For more information about clean water through local commitment and action, visit the Project Clean Water website at www.projectcleanwater.org.
